

# Hotel Key Card Artwork Template (85 x54 mm)

Bleed-safe CMYK artwork template for hotel key cards.

Card dimensions: 85.6 x53.98 mm (ISO/IEC 7810 ID-1).

Bleed: 3 mm on all sides. Safe-zone: 5 mm from cut edge.

Antenna keep-out zone: 12-mm-wide vertical band centred on the short axis.

Do not place dense ink, foil, or thick laminate in this band.

Magnetic stripe omit: most modern hotel key card programmes no longer use magnetic stripes. Confirm with your lock-platform supplier before specifying.

For the artwork checklist see </guides/hotel-key-card-artwork-and-printing-checklist/>.
